

The background of the cover features a series of thick, black, geometric lines. A prominent line starts from the top left and extends diagonally towards the bottom right. Another line starts from the top left, runs parallel to the first for a short distance, then turns vertically down, and finally turns horizontally to the right, creating a stepped effect. These lines intersect to form several rectangular and trapezoidal shapes. The overall aesthetic is minimalist and architectural.

Washington Irvings' Legislative Body,

This past year the S.C.A. accomplished several major things:

1. Held a canned food drive and collected 5,280 cans
2. Held a Christmas Clothing Drive
3. Sponsored the Christmas, Valentine, and End-of-the Year dances and several Sock Hops
4. Wrote an Honor Code for Washington Irving
5. Sponsored a war orphan named Nguyen Van Ho
6. Guided parents on Back-to-School Night
7. Organized a Seventh Grade orientation program

The S.C.A. met on Mondays in the Band Room. On Tuesday, February 15, S.C.A. representatives voted for eight candidates for King and Queen of the Valentine Dance. The King and Queen were elected by students attending the dance.

Washington Irving's Publications:

The Wisp, Washington Irving School Paper, is a monthly publication with significant information about school, styles, and dances. It also includes many interesting articles about life at Irving. The staff has had to cope with many problems to put out the publication this year, but they did a fine job.

This year the Sketch Book staff worked very hard. They had to alphabetize and label over 1,300 pictures, plan and draw up layout sheets to put them on, type the sheets, and draw the cover and art illustrations. The photography editor took and developed most of the informal pictures.

The Sketchbook editors are listed in the front.

The Wisp editorial staff follows:

Editor	Mark Hattan
Feature Editor	Lauriston Smith
Fashion Editor	Gabrielle Herrman
Girls' Sports Editor	Wendy McRae
Boys' Sports Editor	Dennis Talton
Literary Editor	George Wilkinson
Club Editor	Nancy Cox
Art Co-Editors	David Poole, Wee Yee

Special Mention

Some students deserve special mention. Among these are members of the National Junior Society, chosen after this book went to press; students receiving straight A's; white letter winners; and members of the All State Band.

Honor Society candidates must have a 3.6 average of all subjects for seventh and eighth grades, be students at Irving during the whole time, and be recommended by all of their teachers.

These white letter winners received at least 300 points during their first year and half at Irving. This is quite difficult, because points are hard to earn. The President of the SCA earns only 20 for his job.

The all State Band is made up of students from all over the state. Each school nominates seven for the honor, and a panel of band directors holds auditions and selects performers. This year six of our seven candidates were chosen.

The Pep Band, shown below, is a group that performs at basketball games and similar affairs.

Foto Footnotes

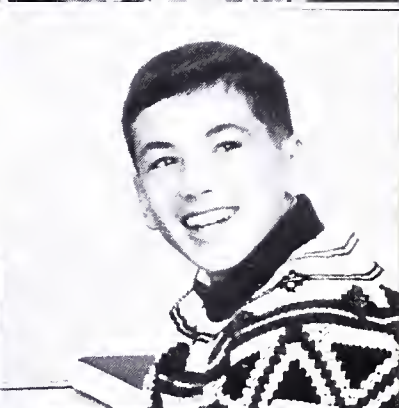

Our "'Twas the Night Before Christmas" program was one of the highlights of the year. Directed by Mrs. Kay Borrer, it included over 200 students who performed or worked behind the scenes. The group was invited to appear at the President's Pageant of Peace on the Ellipse but couldn't go because costumes were too thin for outdoor wear. Next year costumes will be heavier!

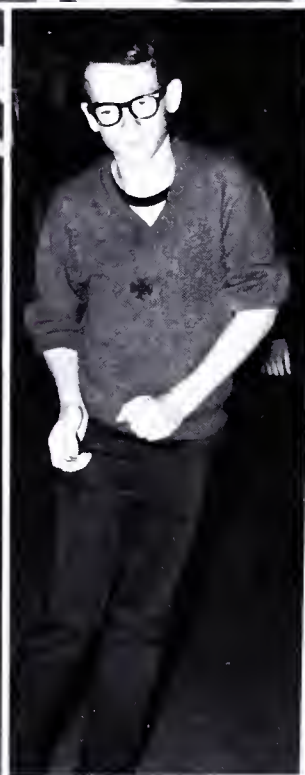

Other notable events were our school's interviews on station WEEL, Col. Fairweather's leaving, the spring operetta, the history department play, field trips, and the Big Snow which gave us an unexpected week's vacation.

Do You Remember?

Do You Want to Dance?

The biggest dance of the year was the Valentine Dance where Barry Boyd and Janet Chapman were elected popularity king and queen. This dance was so big that the seventh graders were given their own dance so that all could attend. The seventh grade did not elect a king or queen.

Other dances included the year's end Block Party, the Christmas Dance, and many sock-hops.
